

IT System Certification – IMO DCS

This is to certify that Verifavia Shipping has completed on February 08th 2023 a certification of the following IT system:

BASSnet Fleet Management System – v2.11 or higher

Developed and Managed by:

BASS Software Ltd, Limassol, Cyprus

On the basis of the agreed criteria, the IT system above is found to be compliant with the following Regulations:

- Revised 2021 MARPOL Annex VI, Chapter 4, Regulation 6
- Resolution 346(78) 2022 Development of a SEEMP
- Reporting requirements as per Resolution MEPC..348(78) Guidelines for Administration verification of data

This certificate is issued to attest that VERIFAVIA SAS did undertake the relevant approval procedure for the IT System above which was found to comply with the relevant requirements above. This certificate is limited to the provisions of the Certification Report provided.

This certificate will expire on February 07th 2025

Nicolas Duchêne
General Director, VERIFAVIA SAS

A handwritten signature in black ink, appearing to read "N. Duchêne", is written over the printed contact information for Verifavia SAS.
