

IT System Certification – 'THETIS MRV'

This is to certify that Verifavia Shipping has completed on February 08th 2023 a certification of the following IT system:

BASSnet Fleet Management System – v2.11 or higher

Developed and Managed by:

BASS Software Ltd, Limassol, Cyprus

On the basis of the agreed criteria, the IT system above is found to be compatible with THETIS MRV platform format requirements as in :

- Port_emissions.xml (included in Emissions.xml)
- Voyage_emissions.xml (included in Emissions.xml)
- Emissions.xml

This certificate is issued to attest that VERIFAVIA SAS did undertake the relevant approval procedure for the IT System above which was found to comply with the relevant requirements above. This certificate is limited to the provisions of the Certification Report provided.

This certificate will expire on February 07th 2025

Nicolas Duchêne
General Director, VERIFAVIA SAS

A handwritten signature in black ink is written over a rectangular stamp. The stamp contains the following text: "VERIFAVIA SAS", "33 Avenue du Maine", "75015 Paris, FRANCE", "+331 43227194", and "www.verifavia.com".
